

**PROGRESS REPORT AS OF NOVEMBER 8, 2000**

**FINALLY GETTING OFF THE GROUND**

The official notice and questionnaire are scheduled to be mailed out by OSRL sometime around November 16. If you have not received them by the 21<sup>st</sup> of November, please start calling OSRL to see what happened. The phone number that OSRL is using for this case is 1-877-633-6775.

If OSRL personnel cannot immediately get a questionnaire out for you, please contact me.

In addition, for those of you who will be contacting the state to obtain copies of notebooks, calendars, or other records which show your actual hours of work, if utilizing the phone number or web site provided by the State in the questionnaire does not work, please let me know at once.

Sincerely,
